In a recent chat with Varsity player, Mark Swedberg, I asked him some random questions to get to know him when he's not scoring baskets on the court.

Q: Who is your favorite basketball player and why?

A: I would say Russell Westbrook because he's explosive.

Q: What are your hobbies?

A: If I'm not playing basketball, I like to draw graffiti. Not to worry, I draw in notebooks and not on walls.

WHAT IS THE STRANGEST THING YOU HAVE EVER EATEN? "A LIVE CRICKET"

Q: What is your favorite food?

A: Tuna

Q: What is your favorite movie?

A: White Men Can't Jump

Q: What is one thing you would put on your bucket list?

A: I want to go sky diving.

Q: What is the strangest thing you have ever eaten?

A: I have eaten a live cricket. I was asked to and why not. It squirted in your

mouth and you had to pick the legs out of your teeth. Not so good.

Q: What is one thing you have always wanted to do but haven't had the chance yet?

A: I have always wanted to meet Kobe Bryant.

Q: What is your least favorite type of music?

A: I really do not like Screamo.

Q: What was your favorite cartoon growing up?

A: My favorite cartoon was and still is Spongebob Squarepants.

Q: If you became famous for basketball, what would your baller name be?

A: Definitely, Shwagburger
